Notification No. S. P. C. 15938-43, dated 27th December 1943.

To

The Firms dealing in Hessian Cloth.

Enquiry No. 6347.

Subject:—

Hessian Cloth.

Dear Sir/Gentlemen,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following condition:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed as "Quotations for Hessian Cloth" with the above enquiry number.

The enquiry will be closed on the 10th January 1944.

SCHEDULE.

Item No.	Description of material offered.	Quantity	Price quoted F. O. R.	Time of delivery.

No. S. P. C. 16111-21, dated 31st December 1943.

To

The Firms dealing in Sulphate of Alumina.

Enquiry No. 6350.

SUBJECT:—Sulphate of Alumina.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following condition:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Sulphate of Alumina" with the above enquiry number.

The enquiry will be closed on the 15th January 1944.

SCHEDULE.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
1	Sulphate of Alumina as per specification given below:— Sulphate of Alumina to contain atleast 17 per cent of water soluble alumina. It should be soluble in water to the extent of 99·5 per cent. It shall not contain more than one per cent of iron compounds calculated as ferric oxide It shall be free from acid. The material should be in small lumps free from chips, strings, pieces of sacking, etc., and shall be of such a size that 100 per cent shall pass a seive having 4 meshes per linear inch and 95 per cent shall remain on No. 10 mesh. The material should be supplied packed in strong new double gunny bags or in barrels.	100 tons	Bangalore or Mysore.	

N.B.—Tests will be conducted on the sample drawn from supplies with a view to ensure if the supply conform to the specification. If the material does not satisfy the requisite conditions, it will be rejected at your entire risk and cost.

Yours faithfully,

GEORGE MATTHAN,

5182 *Secretary, Stores Purchase Committee.*
